

"We share every golden nugget that brought us success and fulfillment."

How we are

At CL Schneider Mentoring, we are passionate about transforming lives through our e-learning growth programs. We are dedicated to providing powerful and empathetic support to individuals aged 50 and above, helping them find fulfillment and self-responsibility in the "rest of their life". Our clients often have successful careers but are seeking true meaning in their lives. This includes the desire to continue being successful and achieving new results. We are currently seeking a Success Mentor 50+ to join our team and help our clients achieve their goals.

What you set in motion

- customer acquisition (without hard selling) and needs assessments
- you empower customers 50+ to set goals and pursue a life-changing vision
- powerful support for our customers throughout the entire e-learning growth course
- help them to find deep fulfillment and pursue a true calling, that is what they want to experience
- close cooperation with other, inspiring mentors in the team and worldwide

What you bring along

- at least 5 years of professional experience in management positions or as an entrepreneur
- fluent and professional English, German is an advantage
- minimum age: 45+, with an inspiring, empathic personality
- newcomer to the topic of internal and growth work, welcome!
- enjoyment of exchanging ideas with people, learning and using new technologies
- bring along your own lifelong dream that you want to fulfill
- the will to show up authentically and to follow your own vocation without compromise

What we offer

- flexible workload to work at your own healthy pace and towards your big goals
- opportunity to make a real difference in the lives of people 50+
- working in a uniquely growth, wellbeing and success-oriented environment
- we are success-oriented and this is how we remunerate our mentors: generous commission basis

How you proceed

If you dare to show up differently, then call us directly. We welcome people who show courage and get in touch immediately if this ad appeals to you positively. This is your success mentor and powerhouse on the phone:
